- Senior Research Associate, Research Department, Inter-American Development Bank (2005-2006)
- Director, Executive Program in Finance, Universidad Torcuato Di Tella (2000-2001)
- Visiting Scholar, IADB (1999, 2001, 2002), International Monetary Fund (2000, 2001, 2004).
- Member of the Editorial Board: *Americas Quarterly* (2020-), *Banks and Bank Systems* (2009-2015), *Estudios Económicos*, Banco Central de la República Argentina (2007-2010), *Economía*, Journal of the Latin American and Caribbean Economic Association (2003-2004).
- Member: Argentine Political Economy Association, Latin American and Caribbean Economic Association.

Main professional positions

- 2025- Regional Advisor, Inter-American Development Bank.
- Lead the design and rollout of the IDB's Growth Delivery Plans in Latin America.
 - Oversee the mainstreaming of the AI agenda into the Bank's policy and lead the IDB's AI regional dialogue.
- 2024-2005 Chief Economic Advisor, AdCap Financial Group
- Advises management and oversees the Research and Strategy department.
- 2024-2025 Director, Research Linkages Initiative, UTDT-USAID
- 2017-2023 Founding Dean, [School of Government, UTDT](#), Buenos Aires
- Managed a multidisciplinary 100+ people team of professors, researchers, and administrative staff.
 - Founded and led the ([CEPE-DiTella](#)), ranked as one of the best new think tanks by the [Global Go To Think Tank Report 2020](#).
 - Created two new graduate programs in Education and Urban Policy, and four new executive degrees in Climate Change, Data Science, Gender Policy and Public Health.
- 2017-2018 Managing Director, *Argentina 2030*, Strategic Planning Secretariat, Office of the President
- Chaired the Presidential Council Argentina 2030, a group of senior experts that advised the President on strategic decisions and reforms.
 - Organized a network of multidisciplinary experts that developed the proposals included in the President's 4-year Masterplan.
- 2016-2017 Senior Adviser, Office of the Chief of Cabinet, Argentina
- Led the 10-people expert team that prepared President Mauricio Macri's 4-year Masterplan, which laid out the bases for his fiscal, labor, social security, and tax reform proposals.
- 2016 Board Director, Bank of Investment and International Trade (BICE), Argentina
- Designed *Primer Préstamo*, BICE's flagship program aimed at the promotion of access to credit of SME previously excluded from the market.
 - Design a blended funding strategy with investment banks and multilateral organizations to increase and enhance the bank's scope and capital structure.
- 2011-2021 Founding Partner, Elypsis Consultants, Buenos Aires
- Led a 15-people team of macro financial and political analysts, and electoral pollsters.
- 2009-2010 Global Strategist, Barclays Capital, New York / Buenos Aires
- Produced weekly strategy pieces detailing the key themes driving asset allocations and prices and prepared quarterly reports identifying the main global trends.
 - Design Barclay's Advance Emerging Markets benchmark.
- 2008-2009 Head of Emerging Markets Strategy, Barclays Capital, New York / London / Singapore
- Managed a 30-people team of experienced EM strategists in New York, London and Singapore that was ranked best-in-class in the 2009 Institutional Investor Survey.
- 2007-2008 Head of Latin American Research, Barclays Capital, New York
- Built Barclays' first Latin American Research and Strategy team.

- Successfully managed the integration of Lehman’s Latin American Research team after its purchase by Barclays in September 2008.
- 2006-2007 Senior Financial Sector Adviser, Latin American and the Caribbean, The World Bank
- Led regional studies on Catastrophe Insurance and Development Finance.
 - Reviewed and collaborated with the Bank’s regional financial experts in the Financial Sector Assessments Program (FSAPs).
- 2002 Chief Economist / Manager of Monetary and Financial Policy, Central Bank of Argentina
- Led the production of the widely cited bi-annual LAC Macro Monitor.
 - Managed a 300+ person team covering monetary policy, financial regulation, international reserve and foreign exchange operations, and economic research.
 - Co-led the banking crisis and the exchange rate policy committees, which managed liquidity assistance to commercial banks facing a deposit run, and daily foreign exchange intervention.
 - Design and launched the CPI-indexed unit of account (CER), the banking crisis interim macroprudential framework, and the central bank bills (LEBAC) used for monetary operations.
 - Prepared and led the implementation of the first monetary program after the collapse of the currency board, which helped contain the currency crisis and bring inflation down to 3% by end-2002.
- 1996-1999 Staff Economist, International Monetary Fund
- Participated in Article IV missions to Colombia and Antigua & Barbuda, and in technical assistance missions to Bolivia and South Korea on monetary and exchange rate policies.
- 1991-1992 Director, Statistics Department, National Social Security Agency, Argentina
- Coordinated the compilation of the Social Security dataset on formal employment and wages, and the publication of the monthly Wage and Labor Report.
- 1990-1991 Economic Adviser, Planning Department, Buenos Aires Metro
- Led a senior multidisciplinary team in charge of designing the technical conditions and the investment route map for the concession of the underground system.

Other professional positions

- 2018-2019 Member, Advisory Task Force, Latin American Reserve Fund (FLAR)
- 2018-2019 Senior Advisor, International Consultative Group, [Astana International Financial Centre](#)
- 2012-2013 Member, Advisory Task Force, Latin American Development Bank (CAF)

Pro bono positions

- 2025- Non-Resident Senior Fellow, Global Development Program, The Brookings Institution
- 2025- Member of the Advisory Board, [Miradortec](#), Entre Ríos
- 2024- Miembro del Consejo de Desarrollo, [Clubes TED-Ed](#)
- 2023- Board member, Fundación Ágora, Uruguay
- 2019- Consulting Member, Consejo Argentino para las Relaciones Internacionales (CARI)
- 2019 Member, Future Commission, Argentine Senate
- 2016-2017 Board Member, Club Político Argentino
- 2016-2017 Founding President, National Production Council, Ministry of Production, Argentina
- 2014-2016 Founding Board Member, Argentina’s Presidential Debate Foundation.
- 2014-2016 Chairman of the Board, CIPPEC
- 2011-2013 Board member, CIPPEC

Recent expert work (latest 5 years)

USAID (2023): Advised on the design of the project *Improving Informal Sector Productivity and Opportunities for At-Risk Honduran Youth*.

Inter-American Development Bank (2023): Advised on the dismantling of the scheme of foreign exchange and capital controls in Belize.

Inter-American Development Bank (2023): Co-led the extension of a workable epidemiological-economic model of the NPI during the pandemic to analyze equity and gender biases.

Inter-American Development Bank (2022-2023): Provided editorial advice and contributed a chapter on debt management to IDB-RES flagship 2023 publication *Leading with Debt*.

International Monetary Fund (2022): Advised the Central Bank of Georgia on de-dollarization policies.

International Monetary Fund (2021-2022): Co-authored the report on the role of the IMF in Latin America during the pandemic for the IMF Independent Evaluation Office.

The Brookings Institution (2019-2022): Participated in the design and implementation of Brookings' Workforce of the Future initiative, including co-writing several published pieces.

The Wealth Health Organization (2021): Co-led a team of economists and epidemiologists in the preparation of an interactive epidemiological-economic model of the joint health and economic impact of alternative non-pharmaceutical interventions.

The Independent Panel of the Wealth Health Organization (2021): Prepared a study on the economic costs of the pandemic.

The World Bank (2021): Advised the Banks' macroeconomic experts on exchange rates policy in financially dollarized economies, and prepared a primer on exchange rate policies for internal consumption.

The Latin American Reserve Fund (2021): Compiled a new data set on financial dollarization and prepared a handbook on de-dollarization experiences and best practices.

The World Bank (2019-20): Advised the governments of Mauritius and Seychelles on offshore banking and exchange rate management.

Harvard's Center for International Development (2019): Co-led a USAID-funded mission to Ethiopia, and advised the government on exchange rate and monetary policy options to contain inflation.

Other expert work for

Inter-American Development Bank (1994, 2001-2005, 2008-2012, 2013-2016); International Monetary Fund (1999-2001, 2004-2005, 2014, 2020); The Brookings Institution (2009-2012); The World Bank (1998-1999, 2001-2002, 2006, 2009-2011, 2013-2014, 2019, 2019); The Latin American Reserve Fund (2012, 2018-2019); The Latin American Development Bank-CAF (2012-2013, 2018-2019); Harvard's Center for International Development (2010-2011, 2014-2016); Central Bank of Kazakhstan (2016), OECD (2012-2013), South East Asian Central Banks Research Center (2011), Japan Bank for International Cooperation (2007, 2006); Banco Santander Río (2007), Argentine Bank Association (2006); Central Bank of Peru (2006); Bank of International Settlements (2005); Cidob Foundation, Spain (2005); Central Bank of El Salvador (2002-2003); Met Life (2004); Standard & Poor (2001).
